meditate and examine your consciousness,
today I ask you: why do so many of you
who heard My Message, arrive today to
listen to a new Message, when the previous
one was neither meditated nor read again?
My Immaculate Heart loves you all dear
children and that is why I ask you today
to read again My Message of before and
put it into practice; I love you all, never
forget that My Immaculate Heart is your
balm to your sorrow; I bless you all,
in the Name of the Father and of the Son

Today fr. James (who arrived on 7.6.) and I
and Beatrice had an appointment with again
the Greek Metropolitan Damaskinos. He received
us warmly. Fr. James witnessed. His Emminence
said that he was studying the revelation and
would like the rest of it, although he said he
is rather sceptic with these things he kept
neutral and asked me to keep in touch.

Mons. Bullet also took a neutral position in
all this, he also agrees to receive the revela-

heart I call to You. Listen compassionately to my pleading. I rely on Your answer. Amen.

when your pleading began, a word was uttered, and I have come to tell you what it is; you are a man specially chosen ♥

(Daniel 9:23) what does it really mean Lord?

hear Me, come near Me anytime so that they may know that I Am He; I, the Word descend among you to forgive you and to bring you all back to Me ♥

Message given to the Greek young group who came to Patmos to pray and learn the rosary. Some came from Athens, others from Rhodes. All joined together in a pilgrimage to Patmos.

have with you ♡ I love you! beloved, the
light in this dark world flickers, for the
evil one is extinguishing the little light
that is left now in this world; your
generation delights unmercifully to call evil
good and good evil; without any pity they
ceaselessly blaspheme My Holy Name, ever so
ready to face evil and kneel at his feet,
how I suffer to watch all this! feel My
Sacred Heart how It is lacerated, how
It bleeds to see this dead era struggling
to cut off their umbilical cord attached
